With the elevated and ever-changing corporate risk of critical events, it's more important than ever to use the power of technology to secure your enterprise to the edge. We're here to help.

Helping you achieve true end-to-end security awareness.

With the elevated and ever-changing corporate risk of critical events, it’s more important than ever to use the power of technology to secure your enterprise to the edge. We’re here to help.

About Us
Knowmadics equips enterprise leaders with comprehensive solutions providing the complete security awareness needed to protect people and identify cyber threats. Enabling end-to-end oversight, Knowmadics delivers comprehensive and relevant asset visibility, backed by elite, operational support, proactive cyber assessments, and a continuous innovation program.

Preserving your current investments, our unparalleled platform is built on first-hand, senior-level expertise, automatically scaling resources while readily integrating with existing infrastructure. Knowmadics reduces complexity, helping you achieve and maintain security compliance while boosting efficiency, fostering predictable outcomes and building trust across your enterprise.

Our Value
To us, it’s personal. Our team is your team. Knowmadics approaches every customer’s requirement with a sense of urgency, partnership and a passion for getting the job done right. We are responsive, flexible and agile to meet your evolving requirements. Continuous innovation keeps us at the forefront of solving complex challenges, with a goal of zero fail, every time.

Delivering innovative end-to-end solutions to solve complex operational challenges:
• Complete security awareness
• Proactive cyber assessments
• Full continuum duty of care
• Enhanced process efficiencies
